

François Mikulski

Meursault 1^{er} cru Les Charmes

Vine

The Charmes appellation represents a surface area of 31 hectares in the Commune of Meursault. The Meursault Premier Cru les Charmes vineyards that we have cultivated since 1992 on a sharecropping basis (50% of the crop for the owner, 50% for the tenant) . They cover a total area of 0.66 hectares.

The average age of the vines is 50 years. The vines are 100% Chardonnay.

Annual production: around 3,700 bottles.

The vines are cultivated using non-certified organic methods.

The soil

The subsoil consists of a base of rock plates.

Ageing

By ageing with just 20% in new barrels, and the rest in barrels that have held one, two or three wines, we preserve the unique character of the terroir.

Tasting

This is a Premier Cru with a nose of mimosa honey, Turkish Delight, followed by flowers, carnation-lilac-violet, bergamot-nutmeg spice... a mouthfeel of poached white fruits, grilled hazelnuts, white chocolate, sappy, sensual, an intense finish, long in the mouth.
